[CAUTION - EXTERNAL SENDER]

Hi Melissa, I'm available today until about noon and intermittently after 3pm, but we're not inclined either to join in, or assent to, such an extension. If you have information that you think might alter our position, we're willing to consider it, of course, but I think the court has been quite clear about its feelings on extending the schedule and perceive no reason to persuade it otherwise.

Jeff

Subject: AC / BBPOS v. Ingenico

Jeff: Do you have time tomorrow for a short meet and confer? We want to know whether you will agree to extending all existing CM deadlines by 30 days. Given your pending motion and the short timeframe on the upcoming expert deadlines, we would appreciate if you could get back to us on this matter tomorrow so that we can expeditiously move for relief from the court accordingly.

Thanks.

Melissa
